Ron Solberg started off the season with 12 straight hits, was batting 1000 - went into a slump and finished with .494

Wil Lowry hit all 5 bases in one night. This is the second time this has been done in the history of the league.

Loomis Livestock scored 8 runs in one inning shooting doubles only.

Loomis Livestock scored 18 runs in 1 game shooting doubles only.

Loomis Livestock defeated Loomis Eau Claire 2-1 throwing singles only.

Loomis Eau Claire defeated Loomis Livestock 17-15 throwing triples only. Each team hit 26 triples in this game. Livestock just might possibly be the the only team to hit 26 triples in one game and still lose.

John Loomis and Don Thorne hit back to back homeruns.

Bob Walters had 9 hits in 9 innings for 9 at bats, one hit each coming in each inning.

In the next game he hit in the 1st. and 2nd. innings, missed in the 3rd., hit again in the 4th. giving him 13 consecutive innings in which he came to bat, 11 straight hits and 12 of the 13 innings. Quite a performance Bob. This just might be an all-time record for softball anywhere.

Ken Kraeger had 2 home runs in one game. He plays with Hays Construction.

The 1974 - 1975 season was another good one and the caliber of play continues to improve.

Every team in the league increased their team average over the previous year with the possible exception of Hays Construction on whom we have no report.
